

Allandale Farm Event Packages

Thank you for thinking of us! We are a working farm and are proud to be stewards of this land. We are thrilled to offer a peaceful, down to earth, and relaxed atmosphere that encourages your friends, family, coworkers, and clients to connect to the land, our farmers, and the food we grow here. Our newest venues, the Harvest Barn and Glass Greenhouse, have given us the opportunity to expand our events and we are thrilled to be able to offer a truly unique event venue just a few miles from downtown Boston. From the tranquility of the pond to the old growth trees and lush fields, we are so excited to share our land with you. We look forward to celebrating with you!

Please note that the Glass Greenhouse is only available from mid-August to November.
